

## **Map interpretation note**

This map was developed specifically for the Wetland Vision Technical Document

## **Local vision map**

This map shows some of the most successful, or best designed local visions for which data has been collated. This is just a sample. For more details about these local visions visit the project website: [www.wetlandvision.org.uk](http://www.wetlandvision.org.uk). The project is actively updating this information.
